

Cape to Cairo

Discover the magnificent splendor of South Africa's Cape as you explore both the breathtaking Cape Point and the Winelands, with stunning coastlines, tours of award-winning wineries, and private guides. Sleep in comfort and luxury at the wonderful Cape Cadogan boutique hotel on fashionable Kloof Street where fantastic dining and an exciting night life await.

Next, travel into South Africa's wild interior as you go on safari for Big Five game in the heart of the Sabi Sand on the border of Kruger National Park at Lion Sands Ivory Lodge. Here, the lion and leopard reign supreme among the big cats, while the elephant and rhino tower above all the others, with the exception of the giraffe, of course!

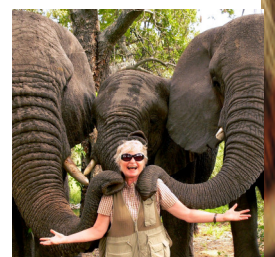

Then, it's off to Cairo, where you will discover the secrets of tombs, treasures, kings, and ancient bazaars. Your private Egyptologist guide will help you discover this incredibly important region from your base at the Four Seasons Hotel Cairo at the First Residence.

Discover the Pyramids of Giza, the Solar Boat museum, Memphis, and more. Delight in shopping at the Khan El Khalili, a historic bazaar that has been active since the twelfth century.
